

DIVINE HEALING THROUGH THE SCRIPTURES

Five prayer priorities | Seeking God’s healing, compassion and sustaining grace

PRAYER PRIORITY	WHAT TO PRAY FOR	SCRIPTURE SUPPORT
1 Faith in God’s healing compassion	Deepen our trust in God’s goodness; help us approach Him with confidence and bring every need before Him.	“moved with compassion for them, and healed their sick.” Matthew 14:14; Hebrews 4:16
2 Physical healing and restoration	Ask God to heal sickness and injury, relieve pain, restore bodily strength and grant renewed health.	“pray for one another, that you may be healed.” James 5:16; Matthew 8:2-3
3 Healing of the heart and troubled mind	Bring comfort through grief and hurt; restore peace amid fear and distress; renew hope and emotional strength.	“He heals the brokenhearted And binds up their wounds.” Psalms 147:3; Philippians 4:6-7
4 United prayer and compassionate care	Move elders and believers to pray; strengthen caregivers; provide wise care and practical support for the sick.	“let them pray over him” James 5:14-15; Galatians 6:2
5 Sustaining grace and patient hope	Give strength when healing is delayed; sustain faith through ongoing illness; help us persevere in prayer and hope.	“My grace is sufficient for you” 2 Corinthians 12:9; Romans 12:12

“Let us therefore come boldly to the throne of grace” **Hebrews 4:16**
